

ADFN Week 2 day 2.

Perspectives on a misinformation story.

1. Pick the role of two groups mentioned in class, as the receiver of a story:
  1. The target group; A journalist, historian, politician, CEO, farm worker, teacher; or another affected group;
  2. Pick a story, either one of the case studies in class, or your assignment 1.
2. Describe what misinformation means for this receiver:
  1. How they would receive the story (if at all); and what cognitive biases are used;
  2. What's good + bad;
  3. How they would share the story, and to whom?
  4. What the impact is. E.g. the person's attitude; social reaction; change in belief, if any (see for example Backfire effect)
3. Presentation of four+ slides: two+ slides per group
